*Thoroughly cooking foods of animal origin such as beef, eggs, fish, lamb, pork, poultry or shellfish reduces the risk of foodborne illness. Individuals with certain health conditions may be at higher risk if these foods are consumed raw or undercooked. Consult your physician or public health official for further information.

Food allergic individuals: Be aware that we handle and prepare egg, milk, wheat, shellfish, fish, soy, peanut and tree nut products, sesame products and other potential allergens in the food production areas of our facility. Please direct any questions to the manager.
